“ I loved you Joann. A lot of good times with Moma. I had planned on coming to see you and just never got there. I should have came today but was afraid it would bother me too much. I hoped you knowed I loved you, I think you did. Moma always aggravated you about falling asleep, I think I took over doing that for you. Give Moma , Daddy and Tony a big hug and kiss for me. I know you are now enjoying yourself.
