“ My favorite memory is when Bekah sat in the wheelchair with him for a daddy/daughter dance when she got married. I had wondered how they would pull it off, and it was the most comforting, natural and loving thing I’ve ever seen.

“ I am so sad to hear this. I knew Joe from long ago when we both worked for Desoto Hosiery mill. we were the two first knitters before they expanded and became a major company. I do remember he loved to laugh and cut up. Always smiling.

Beverly I am so sorry for your loss. I know this has to be so difficult for you and his family. You two have always been together it seems like.

Prayers for you all and may God bless you with comfort and understanding. take comfort in knowing he is with your daughter and he no longer needs that wheel chair. I am sure she was there to greet him. God bless you.
