“ *Can't tell you how sorry I am for your loss. Have good memories of when he was in school and was friends with Elizabeth. Joey was always so nice and polite. I will pray for peace and understanding of why this hapened. We went through a similar experience in our family. Love and prayers to Eddie, Debbie, April and Mandy.*

*Life will never be the same for Joey's family or anyone who ever met him. Tim was happiest when he and Joey got together. They would laugh and cut each other down!! I don't know what I would have done without Joey, Eddie and Jeff after Tim's stroke. They were there to help in anyway. Joey had always come to the house but he and Eddie would sit with him for hours while I was at work to keep him company! Joey was a member of our family and it will be a very long time before the healing will begin. We love you Joey but we will see you again!!
