“ *I considered Joey as my best friend. Tonight at the funeral home I shared that with many people. The more I thought about it I realized that there were many who felt the same as I did.*

I believe Joeys love and concern for others made them all feel like he was their best friend.

Joey was their anytime i called with a laugh, a smile, a tear ,a prayer

He made the person he was talking to feel like they were a priority, loved, cared for, and had his full attention.

I love you my brother and will miss you dearly

“ I had the pleasure of working with Joey both at AEDC and TVA (and a little electrician work on the side). He was great to work with, always had a smile, and very willing to help in any way he could. I'll surely miss him.
