I worked with Judy, at Crossville health and Rehab. She was a very good nurse. Very sweet and always kind. She made her residents her top priority always making them smile or laugh, spoiling them to no ends. Not only was she a good nurse but she was also a dear friend. She always wore a smile no matter how hard the day was. She was always making you laugh or smile when she seen you were discouraged or upset. Judy I am sure you are making heaven more beautiful. As to im sure your crown is heavy for all those rubies you have received through out your life. Rest easy my friend, I love you and will forever miss you. Until we meet again. Fly High.
