“ June was my Daddy's (William "Donnie" Carroll) 1st cousin. My husband and I met her in May of 2016. She took me up to the Beulah Church Cemetery to see my grandfather's and the rest of the families' graves. Another cousin, Greg Carroll, met us there too. We all went out to lunch then we went up to the school to meet Darel. I talked to her last year to tell her we would be back down to see her this year. She was so good to keep in touch with my mother even after my daddy passed away and sent us old family pictures. Sadly, I discovered today that she had passed. She was really sweet and I am sorry that I didn't get to see her again.

*My thoughts and prayers go out to your family,

“ *Gray and Carroll families,
We are saddened to hear of 'Aunt June's' passing. Since I've been visiting my sister (Angela) and JT from the late 60s on, June and Daryl were always a treat to visit with under those tall pines. She was so sweet to my two children when they were making their early visits to Alabama from Clarksville. I love the photo that ya'll have chosen, that beautiful smile sums up her loving and kind heart! Please know we will be keeping you all in prayers in the coming days...and may 'Aunt June' rest in His Eternal Peace.
Love,
Melissa Martin and family

“ *I sure did love this woman, always sweet to my family. Loved going to see them when I was a kid she and Daryl was always super nice to my dad. Johnny and Louise Plunkett. Daddy always loved going to Rainsville to the bluegrass singings. He enjoyed and loved both of them very much. She will be missed.
