“ I will never forget visiting Aunt Joyce and playing with Karen when we were kids. Digging peanuts, and rubbing our hands until they were raw getting popcorn off the cob. I will miss you cousin Karen, we made wonderful memories. You are the strongest inspiration for me, you have helped me in ways you never knew. You are in God's glory now, I will see you there someday.

*Oh crazy Karen, the fun times camping at the state park, Jack & I took them small bed, Matt & Sam got the loft and said you'd sleep on the mini sofa. You wrestled that thing all night and it flipped you. So we rented a air mattress the 2nd night ,you were so excited to have a queen bed. We all went to sleep and you were out on the porch of the cabin laughing because the mattress leaked, and when you woke up, yup you was on the floor. So we tried the 3rd night and had 🙌 success. Oh lord the funny sleep overs and visits. I still have my pairachord cup holder and I will cherish it .*

*You run and Dance like you have never before. We will miss you our crazy cousin. Remember we were sisters from different mothers . Love to the family, prayers for comfort & peace as this new journey in your life starts .*
