“ She was our favorite neighbor when we lived in Dutton. My heart broke whe I heard the news. She was such a blessing and loved our kids like they were hers. She will be missed. To her family I’m so sorry for your loss of an amazing woman.

“ Aunt Richlon patiently sat with me so many times to help me with my high school math homework in the early 2000s. Even though she was a great math teacher, the newspaper clippings about a study she mailed to me was my huge inspiration to constantly read books to my children as infants. It's literally been on my fridge this whole time as a reminder. That, and all the books she'd mail to my kids have definitely paid off x100. We must have read those books 50x over the past 7 years and Jackson continues to get excited when he sees Aunt Richlon's name inside with the date. Those were some of the books he learned to read so well at such an early age. For that, I will always be so grateful. We love and miss her so much! I hope the angels know what they have and how she's been an angel on earth to so many young minds! 😇❤️

“ *An older cousin that I loved visiting. Wish I didn't live so far away. Loved JT and her parents: Kat and Z. Their presence has been sorely missed. Wishing the best for Jerry. And knew her best as Richlon. She visited my parents (her aunt and uncle) a lot while they were around...they watched the big tornado together off the back porch. She took up mailing birthday cards after Aunt Katie passed away. Have very fond memories of Rainsville.*
