“ *I'm so thankful and blessed to have known Dale! He was as close as a brother to me. He was always right there in his quiet way, ready and willing (and offering) to do anything he could for me. He always called me "kid." I miss him but I am happy that he's in a better place with no more pain! He and Della Ray may be singing with my daddy and preparing to surprise me. What a day that will be!*
