“ *Peggy, I am so sorry for you and your families lost. Larry was such a gentle person. I remember the good times we had playing ball. I was new at coaching ball and with Larry helping me. He knew the ball rules real good. He would tell me gently that something was wrong with a call then, I would be the one that went to hollowing. My prayers are with you and the family at this time. Remember the good times, love you and your family.*

“ Peggy & DeRinda, I'm so sorry about Larry's passing; I know from being around y'all how close all of you are. 💔 I remember when y'all came to fish in my pond how much fun you had fishing & talking. Larry always seemed to be a very caring husband & father, that he quietly carried out those duties with LOVE. I am PRAYING for your entire family that during this sad & difficult time, you will receive the COMFORT & PEACE that passes all UNDERSTANDING, that only comes from our HEAVENLY FATHER.
