“ *Lori Wollcott will forever be remember by me as a kind, gentle-spirited, and soft spoken lady of excellence. I have enjoyed working with her at Asbury Elementary School for many years. I had her 2 sons in my class, and she and her husband were always very supportive parents. She and I enjoyed talking about 3D Printing projects together. My heart breaks today at the loss of such a beautiful person. I will miss her sweet voice and kind words of encouragement all the days of my life. She left a wonderful legacy for her family. May God Bless this lovely family with comfort and peace and may they draw strength from having been so close to this amazing lady.*
