“ *Mrs. Mabel was a precious lady. She was my Sunday School teacher when I was about 8 years old. She made a big impression on me at a young age. She was a wonderful Christian woman. She was a willing vessel and God blessed her with a long life. Heaven is a little sweeter knowing she is there.*

“ Hello..My name is Sharon Glover Byrd. I have lived in Mrs, Mabels' community most of my life. I attended church with her when I was young. I remember seeing her standing on the banks of the coal mine backwater the day I was baptized. (I always thought she had a beautiful figure) I remember going to her house to make gift boxes for the elderly at Christmas time. For all these years, every time I drive by her house I always slow down so I can look at Mrs. Mabels' flowers and garden. Most of the time she was out there working always with a bonnet on her head. I would tell myself "I hope I can always work in my yard like Mrs. Mabel does" She is quiet a lady. She made an impression on my life. Heaven is richer now with her there. God be near to you family
