“ *Mable will be missed so much, she was a wonderful person and a natural born comedian. It really stands out in my mind about the time she had the whole crowd rolling in laughter when she was telling us about the time she thought she was going to drown. Just leave it to Mable, she could really lighten your day. I am in Sebring, FL. and I won't be able to attend her memorial service, I am so sorry. Pearleen said to give you all her deepest sympathy also. All of our prayers are with the whole family..*
