“ *Patty,*
can't begin to tell you how many times I have tried to find you over the past few years. lately it's been like an urgentcey to hear from you. This morning I decided to try again and when I did your Mother's obituary came up. I am so sorry for all of you. I have so many happy memories of your Mom and staying at your house. She was the best, especially when it came to cooking! I know you will all miss her so very much. I would love to get together with you. Please let me hear from you. E-mail is still Vickie704@bham.rr.com. I've sent you a dozen or more notes to the e-mail address I have for you but does not work. Please let me hear from you, ok? Again, much love and sympathy, she was truly a wonderful lady and my heart hurts for all of you.
