“ *Mike had my same birthday, and we shared a special love for our children and grandchildren. We were dear friends and I'll miss Mike on this earth.*

“ *Millie - Wish there were expressions within my grasp to express my deep sympathy on the loss of your beloved Mike. Your time was so short with him - but that love does not diminish. It only grows as we think of our eternal rest made possible by our Lord and Savior. You are in my prayers and in all the prayers of our beloved childhood friends that hold you dear.*
