Tribute Wall

“ *Norma Ruth was my first childhood friend which lasted all our lives and i am going to miss her badly.. we have shared so many things and had so much fun. Our parents were good friends which gave us even more time to grow up together. She was the sister that i never had and I'm going to be lost without her. Save me a seat in the front row with you sweet friend.I will see you soon. Love you, Linda Hill*
