“ Sweet Sweet Pam. I'm sad I won't be getting your encouraging texts and artful memes and pictures you created anymore. you have been a bright spot for me over the years. Your undeniable courage to take what life gave you..... and give BACK TO IT better than you received always defined you from the moment I met you when I hung out with you brother. You and your kind and loving family have been a party of my life for about 45 years!!!! And, I'm forever grateful. I'm sad that I won't be able to return to the mountain for the services, as my time is committed at work and I'm unable to take off.

Family, please know you're in my thoughts and prayers. you can reach out to me anytime. Greg Higgins 2566989489

“ *The world has lost a truly beautiful soul. Pam always saw the good in people and never let her personal struggles define who she was. She was the kind of thoughtful friend who started our “Good Friend Check On Day,” sending a simple text just to say hello or make sure you were doing okay. Her kindness, strength, and grace inspired me more than she probably ever realized. I will miss you, my friend.*
