“ *This sweet man was such a good gentle soul and always a gentleman. He was a caring person who honored God, family and country. What few occasions I had to talk with him he just as conversant and friendly with me despite the fact that he was at least 25 years my senior. He loved his people and we love him and it does not get any better than that. I bet my dad is happy to see him, he always loved all of Uncle James and Aunt Naomi's children. Of course who wouldn't love such great souls. Proud to share the same blood, it is always a good day to be a Wooten.*
