“ Dear Liz, Ryan, Shannon and family,

*Thinking of you all today as you celebrate the beautiful life of your mother and grandmother. Ms. Polly was a beautiful lady inside and out. I had the pleasure of sitting next to her in November at our monthly girls out dinner. She literally lit up like a Christmas tree as she talked about each one of you. She loved you all so much and was so proud of all that you have accomplished! She also talked about her husband and how she had to come live with Liz after he passed away. She told me that Liz did a wonderful job taking care of her. Thank you Liz for loving your mother and honoring her all of her days! You are a wonderful daughter and she was blessed to have you!*

*Praying for all of your hearts today and the days ahead. We will all miss her but I know without a doubt that we will see her again. It makes me smile when I think about what she must be seeing and doing today. I bet she's walking hand in hand on streets of gold with your daddy.*

*Love, hugs and prayers,*

*Gay Iannuzzi*
