“ *Rita, mama, I was broken today going into work. It was hard going into your room. I didn't get to say goodnight to you tonight. But did your normal routine and shut off you light said goodnight and closed your curtains. I know you was with us tonight. I will miss you and you will forever hold a place in my heart. I'm glad we had our memories and cheetoo and fig bar stocking up before I left work at night.*
