“ *Hard to come up with words to describe how much Mrs. Rupil meant to me and my brothers. She was with us in a very hard time in our lives and has remained with us all the way into adulthood. We know you are in a better place and will continue to be with us for as long as we live. Thank you for everything and I'm sure that you and our mom are having a great time in heaven together.*

“ They say great things come in small packages...Rita was small in stature but big in heart. She always had a smile for everyone, and if you knew her, you couldn't help but love her. Her kind and gentle nature was a joy to be around. She loved to talk about how wonderful her Lord is, and truly enjoyed hearing others share their stories about what He had done for them. She was always quick to encourage me as I am sure she did others. I always looked forward to our appointments because I knew she was going to have a funny story to tell me and when we were done she would say " Well we both needed this, we're each others therapy, I love you darling!" What a beautiful legacy she is leaving behind for family. "I love you darling!.

“ *Rita and I were close friends in high school and college. She was a kind and generous person and we shared many happy times. She always had a strong faith in God and shared her faith in word and deed. Her love and compassion for others was evident to all who were fortunate to know her. She will be greatly missed.
