“ *The first time I met Robert and Emma (Jane), I didn't know how to take him. After a few more times of seeing them, I learned to love him like family. I could tell that Emma (Jane) loved him with all her heart and Robert felt the same for her. I'm in tears. I thought I would get to visit with him when he got out of the hospital. I'm so sorry you lost your soul mate, Emma and that I lost a loving friend.*
