“ I worked with Mr Royce for several years. He was one of the sweetest people I know. Always smiling and joking around...I looked forward to coming in to work and seeing his smiling face. No doubt in my mind that he's celebrating with Jesus right now.

“ I remember Royce from way back when R-Ella and I were in grammer school at Henagar. Then I learned that the Clayton Clan were like family to the Stone's. Always loved seeing his smiling face when I went to Walmart and he ask about all my family. My prayers are with you all.

“ Juanita, David, Marsha, Paula, I am having such mixed emotions about the homegoing of Royce. I am feeling such pain for you all, but I am also excited about Royce spending Christmas with Jesus and all of those who have gone before him! I can just see his smiling face as he joins those he has missed. Because his quality of life was so diminished, I am so happy that he is whole and without pain. He was such a great husband, father, brother, cousin, grandfather, friend and he will be missed, but he is in the best place! Take comfort in knowing that you were faithful to him. He wants you to begin living again. Oh what a wonderful day when we will all be with him!

We wish we could be with you this week, but because of children coming in for Christmas for limited times, we cannot come. Carol and I have talked about possibly coming to see you later, if that would be alright. May the Lord be with you and comfort you during these coming days.

Love you,
