“ *I remember Miss Rubye as my favorite babysitter, along with Anne. She had a heart of gold. A great person. Rest in Peace.*

“ *Miss Rubye was so good to me. I so enjoyed her phone calls. When my Daddy died I was in shock but I knew my children were safe with her. David even ran away to live with her when he was three. Lucky for her I caught him but if he had made it she would have just fed him and loved him 'til I came for him.*
