Ruth Graves Phillips

Born March 14, 1933

Previously of Rainsville, AL Ruth passed away on September 23, 2023, in Columbiana, AL. She and Charlie resided in several cities in Florida for many years but in their return to Sand Mountain they felt truly at home. A graduate of the Holy Name of Jesus Hospital nursing school in 1954 Ruth enjoy a forty-year career in Alabama and Florida.

In Rainsville, Broadway Baptist became their church home and place of service. Ruth especially enjoyed working with the Operation Christmas Child ministry for many years. She passionately loved her family, was proud of her grandsons and always had a huge grin for every recent great grandchild photo.

The family deeply appreciated the cards so faithfully send to her during the past three years. She looked forward to each one, displayed them and shared with others. They touched many lives beyond hers.

Words are inadequate to express our heartfelt thanks to Columbiana Health and Rehab and Southern Care New Beason Hospice for their tender, compassionate care. They were her extended family and she loved them.
