“ *Short blocks of memories over the many years...most fondest was swimming at those falls, watching him feed his fish in the pond and the Sequoia Caverns. He was always so kind, soft spoken with a great laugh. He gave the best warm hugs and always smelled real good of aftershave. My summers were full and most of my best memories are from those summers with my Grandma, Uncle Sammy and his family. He will be missed but he is surely happily reunited with his mama and daddy, his brother (my dad) and his son. I will miss him dearly. Love you Aunt Jo and Leia.*
