“ *Sandra was a very dear friend of many years. We met before we started our college years, and we continued our friendship throughout the years! She is already missed, but she will always live in our hearts! I thought we had many years to continue our time together! Life is so short and so precious! I will remember all the good times we shared! Condolences to Sandra's family. You were always there for her.*

Sincerely, Bettye and Rick Meyer
