“ *I will always remember coming and staying for the entire summer with Aunt Sandra when I was young. I will never forget that. We had so many memories that I will take with me. She spoiled me. She was one of the sweetest people I know and she will be missed. I know that I'm far away from the family but I'm sending my deepest condolences to the family. Love you all. Xoxoxoxoxo*

“ *Sandra was my aunt by marriage. I remember being around 5 yrs old and sitting in her lap at Christmas time and her just being so loving! Skip forward to the last time I spent time with her on Christmas in 2019. She was still the living and caring person. Sandra will truly be missed by her family and extended family as well. Her warm and caring nurture and passing has definitely left an impression on my heart. Prayers are being sent to her immediate family as well as the extended family...*
