“ *I honor Shawn as a wife, mother, grandmother, daughter, sister and friend. As cousins, we played together some as kids but didn't see each other much as we got married and older. But anytime we did, she was always sweet and friendly and told some pretty funny stories! I am sorry for the loss to her family; She will be missed. I pray that your sweet memories of Shawn will bring you joy and comfort.*

Shawn was a wonderful person that always wanted to help others in time of need. When Kenny's sister passed Shawn was right there and led us all in singing songs of grace while we waited for the Funeral Director. When Kenny's Father passed Shawn was there again while he breathed his last breath. That is just the spirit filled kind of woman she was. Shawn was not physically able to be up all hours of the night, but she was there for the Mitchell Family and we appreciate her so much..

Such sweet memories of a special friend. The laughter we shared and even some tears. Shawn was there for me during a rough time in my life, a friend through it all. She will be missed but I have no doubt where she is. Heaven looks sweeter every day.
