“ I first met Bro. Terry in 2003 as a young child. I can't begin to explain what an influence he's had on me and my family. We spent countless hours fellowshiping with him through the years and I'm so thankful God allowed me to cross paths with him on this side of eternity. Our hearts go out to your family and you have our prayers in the days ahead.

“ I first heard Bro. Pace over 17 years ago.

He was Preaching in Burnsville, NC at the Pleasant Valley Baptist Church on the subject "Whats in your Basket?".

He made a great impact on me for the cause of the Gospel.

A special word of Thanksgiving to his wife and family, for sharing him with so many churches throughout the years.

Great is your reward.

Surely must have been the foremost preacher in this age. The Holy Ghost seemed to preach with him in every message. Lips of clay, Words from on High. Praise God for the the time YOU sent us Terry Pace.

“ Brother Pace preached one of the first Revival's we had in my first pastorate. He and his family were always a blessing. His preaching had God's touch, his life left a mark on God's people. His race is run, and he is at home with Jesus! Praying for the family

“ *To the family of Bro Terry Pace, our thoughts and prayers are extended. No doubt all our hearts are heavy and full of grief for the passing of our Bro. in Christ. However during times like this we can trust that God's Grace is sufficient. Bro Terry had such an impact upon the lives of so many as he ministered over the past 50 yrs. I truly believe He was a man with a Holy calling and sent by our Holy God to preach the gospel of our Lord Jesus Christ without fear and favor of men. He preached in the power and fullness of the Holy Spirit of God in the old time way. He know doubt will be deeply missed on this side of eternity, but I'm so thankful that we don't have to say "goodbye" rather we can say " I'll meet you in the morning"*

“ *Words are not sufficient to tell what Bro. Terry meant to me, my family, and our church. I am forever grateful that the Lord allowed our paths to cross. I am thankful for every message he preached, every time he text or called, and the times of fellowship. What a blessing to know this Hero of the Faith. We love you all, and will help in any way we can in the days ahead. Please know that we are here if you need us for anything.*

“ As we set discussing what Bro. Terry has meant to our lives, one of our earliest memories is Bro Terry standing in the doorway of the New Freedom Camp Meeting kitchen singing “Grand Homecoming Week”. It’s wonderful to know that his Homecoming Week has began. Our hearts are sorrowful for the preaching we will miss on this side, but joyful for the reward he has now received. Love you all! Praying for God’s comfort during this time. ~The Jerry Bird family~

“ After I got saved in 06, Bro. Terry was one of the first evangelists that came through our church afterwards. My goodness. He became my spiritual hero. As someone else has mentioned, he was always the same.....and that was a great blessing to me. My Lord Jesus used Bro. Terry to help me over and over again, year after year. I cannot explain the pain I felt when I learned of his death; but I am greatly comforted knowing that to be absent from the body is to be present in the Lord. Bro. Terry is Home and that makes me very happy.

God the father gave him a gift and he used it to do the fathers work to the very best of his ability. no matter where you seen him he was always the same. he will be greatly missed.
