“ Uncle Tom,

*My buddy. I'm sure the family is going to miss the heck outta you. I know when I found out the news this morning it broke my heart. You always had a special place in your heart for me, treated me like family, and always could make me laugh. I recall the gut punches we gave each other and how we aggravated each other all the time. You never once made me feel any different than a member of the family. Always had my back and always was such an encouragement. Tough ole bird but had a gentle heart. I love ya. Rest in peace. Sorry I cant make it to pay respects. Always my favorite. ...-kami*

*Sending prayers for the family. Love you all.*
