It is with a heavy and broken heart that I share the news of my husband's passing. He was a good, kind man. He battled with Alzheimer's disease over the past several years. Many did not know that the battle started long before the accident he had in January 2022. Prior to the disease taking his music from him, he loved to play piano and guitar. He also loved to sing. He was a member of a couple of gospel singing groups, the last and longest being The Southmen. He went to Sylvania High School and had many lifelong friends from the area. He played music in his church for many years, he was a Southern Baptist and never wavered from his beliefs. He loved his kitty Mandy, Manx kitty. She was his baby. He was loved by many and will be greatly missed. Rest in peace Tommy Glover

“*Mathew 5:5, “Blessed are the meek, for they shall inherit the earth.” As Tommy’s son I take solace in knowing my father’s suffering in this existence has ended. Anyone who knew Tommy would surely describe him as humble, gentle, and kind. I know he is in gods kingdom experiencing eternal salvation.*

*Tommy was not my biological father but that only made our bond stronger. Only now with children of my own can I appreciate the pain and sacrifice he endured for me. In most every way Tommy was my only father, always unconditionally loving and there for me when I needed him. He made me the man I am today and the lessons he instilled in me will live on through his grandchildren.*

*I was lucky enough to take a trip to Gatlinburg with him last year. Although his health was already in serious decline we had a great time and I’m very glad I made the trip to share a few old memories and make our last memories together.*

*Unfortunately at this time I will not be able to make it out to New Home for his burial. As I was baptized at New Home, I have been to the grave site on many decorations and plan to make a final trip to pay my respects in my own time.*

*Tommy will continue to live on through me in spirit and memory. The works and example of his life will touch countless other people through me.*

*Dad, with a tear in my eye and a heavy heart I say goodbye, but rejoice knowing that you are enjoying eternal salvation in god’s kingdom. God still has plans for me here and you provided the lessons for me to carry out gods will. Someday we will be reunited again. Until then, please keep watch over me, I will continue to call upon you for guidance and always remember the example you set for me to live.*

*I’m sure all gathering in your remembrance will acknowledge the*

*world is a lesser place without you, but you are far better off in gods kingdom. I do wish I could hear you play the piano one last time. It would warm your heart to hear your granddaughter Lela play. As I take solace knowing you are in god's kingdom, you can take solace knowing your sins on this plane of existence have been forgiven, as you always forgave others.*

*With love, gratitude, and honor, your son Richard.*

*Tommy was a very gentle, loving and caring man who will be greatly missed. Tommy was a good friend for many years and I felt so bad when he was stricken with Alzheimer's. Even thru this horrific disease his love for the Lord never wavered. I loved hearing him play the piano and he played "I'll Fly Away" at my late husband's funeral. His piano playing was a gift from our Dear Lord and Savior and would never take a dime for it.*

*Thank you Tommy for being such an inspiration to all of us. Your kind, gentle spirit will live on in our hearts.*
