“ *God sent down an Angel to carry an Angel home.*

You are at peace now and you no longer suffer, I am grateful for that.

You can rest with ease knowing that your body is healed, without pain, and whole again.

We love you and started missing you the day God called you home. We are heartbroken to know that you will no longer be amongst us physically, but we are also thankful that you are no longer suffering in pain and discomfort. As much as we would love to have you here with us, we would not bring you back to this world the way you were.

Give Grandma, Papa, & LaVonne a great big hug and kiss for us.

We love you, our sweet, sweet, Angel.

*Love,
Mom, Dad, & Koda*

“ *She was my older sister. Her fight is over now, her illnesses can no longer cause her harm or pain.*

May she rest in peace and her wings fly her high into heaven. Gone but not forgotten.

*Love you, Lane.
