“ *I am so sadden to learn of Tracy's passing. She was always a bright spot in my work day at Wal-Mart. I loved Tracy's pride in her family and shared her joy in Chris and Zach's accomplishments through the years. One long ago holiday season, when discussing the rapid removal of the Christmas tree, Tracy said to me, "I want my living room back!" Every year since then, I quote Tracy when I start to take my tree down. I shall remember your sweet soul always, Tracy! Peace to your loving family. Cheri Blankenship*

“ Tracy was one of the most caring, selfless and patient people I had known. She did everything possible to make sure Zack had everything he needed. She loved beyond measure. She encouraged me even with some of her last breaths! Her and Chris had such a wonderful relationship! I enjoyed my many times with her! You will be missed, but I look forward to the day I see you again!

“ *I think of that little couple in white singing to each other on your wedding day, the smiles, the way you two built each other up and how much love was displayed in your family. Tracy will be missed but is sharing that sweet smile face to face with her Lord!*
