“ *We will always remember her loving ways and sweet smile. We loved visiting her and seeing her beautiful flowers. She would tell us about each one. One summer she came to visit her sister Betty. We came over to visit. She played with our daughter then 2 , running and hiding behind the tree. I remember both of them laying in the grass laughing and having a great time. We will definitely miss her. So, glad she is healed and now living with Jesus.*

“ *My Aunt Velma was the Mom I didn't have for a few years in my life when Dad & Mom divorced. She was the person who'd made sure I'd eaten before school for a few years, she was responsible for the recipe of the summer homemade ice cream I cherished at family reunions, and she was the voice of a devout Christian that always had the best advice for any of life's struggles.*

I know without a doubt she has her angel wings on looking down upon Mr Wanne / Pat / Ramona / Karen / Robin and Brad. Forgive me for not being able to make the 7 hour drive for the service but find peace in my tears and knowing I will always have lifelong memories of my dear sweet Aunt Velma.
