“ *I always looked forward to a visit with Aunt Verona whenever we came to Alabama. It would always include her showing us pictures of her grands and great grands and stories of her Time at the nursing school. She made the best pound cake in the county and there never was a better fan of the Crimson Tide and Bear Bryant. She overcame great obstacles in order to become a nurse. We were all very proud of her.*

“ *Mrs. Verona was such a lovely lady! When she was able to visit the library she brought fudge to the workers and entertained us with the stories/jokes she had heard from Little Jimmy Dickens. She was a one of a kind lady and will be greatly missed!*

“ *Ms. Verona was a special friend to my family & me for many years. I met her when she worked at the hospital & was reacquainted when I lived near her in Pleasant Hill. Verona was a great cook who shared her favorites with me through the years. She will be missed. Sorry for your loss.*
