“ *My heart is made heavy this morning at seeing your obituary but also made light knowing your trials are ended. You and my mother Rachel Bouldin Clifton (1925-1987) of Rainsville were first cousins via your mother Irene's sister Vernia Monroe(1896-1997) (John Bouldin). May you find solace in the warm embrace of the Prince of Peace. And I thank and praise Him for the abundance of comfort and hope He will shower upon your loved ones in these times of grief.
