Wilda will be missed by many. All of us know how she loved her flowers, fishing off the dock, traveling, shopping and of course feeding the birds. But most of all she loved her family-enjoyed family and friends visiting and laughing. Wilda was so looking forward to Christmas - just think - Christmas 2022 her first Christmas with all her children and Ted. Wilda, we love you and will miss you terribly!

Visitation will be on Wednesday, December 21st from 11AM-12PM

I have the most wonderful memories of Aunt Wilda. Staying her and Uncle Ted when I was young (they had a pool in Satellite Beach), as an adult having them with us on numerous Christmas's, their visits to Mom and Dad's, then is visiting them in Rainsville, fishing off the dock. The beautiful twinkle in her eyes was only matched by her delightful laughter. I love you Aunt Wilda and pray that you have a beautiful reunion with your family and find the pray that you always craved.

I have fond memories of Aunt Wilda. I'm happy that she had loving nieces close by who cared for her and were there for her. I'm only 2 years behind her in age and didn't get to spend much time with her and Uncle Ted but enjoyed the times we did have together.
