“ Our hearts are saddened but yet rejoice that our special friend has passed from this life into eternal rest with our Lord . Our family has been so blessed and have so many precious memories of our times together in California before we all moved to other parts of the country. And how blessed for that friendship to have continued through the years and to see how Dub and Dee’s love for the things of God has been manifested through their children’s ministries. Our thoughts and prayers are with the family and look forward to when we will all be together again.
