“ *Mr. Corbin was a very special friend to our family. Our children rode his school bus for many years. They thought a lot. of Mr. Corbin. He was a peddler in the 50s and I would look forward to buying candy from him. You are in our thoughts and prayers. Mr. Corbin will truly be missed. Brenda Manning and family*

“ Mr. Corbin has been my neighbor all my life. My fondest memories of him are hearing him whistle. We live across the road, but you could him whistle! And watching him work in his garden. Such a great neighbor! Prayers for the family.

“ Mr. & Mrs. Corbin were special people in my life. Visited their store many times as a youth. Very special people to so many people. In later life he was a bus driver at Plainview. Always enjoyed talking with him, a very knowledgeable man, who helped young people become better citizens. So proud to have called him “My Friend”. Rest in Heaven, Ollie !!!!

“ Mr. Ollie was a special friend to our Mother, Mother-in-law. They had several years together where they went around to different nursing homes and assisted living facilities and sang. They went to Senior Center in Rainsville. They really enjoyed each others company. We grew to love Mr. Ollie and tried to visit him often after Lillian Jones went into the nursing home. They still talked everyday. She is going to really miss him.

“ *Mr. Corbin and Mrs. Evelyn were such a help to my Mom back in the late 70's. When they closed the store, they rented the apartment side to her and Bill until they could build their new home in Sylvania. The days of the grocery store years will be remember by many folks in Rainsville. They will be missed dearly, specially at Concord. Prayers for you all during this time of loss.*
